# FLORIDA EXPO 2014

*Every year thousands of Puerto Ricans move to Florida, and many others are exploring opportunities in Florida.*

*This is a tremendous opportunity for your company to find new clients coming to Florida as well as exploring a new market for your product or service.*

The Florida Expo 2014 gives Florida Companies a unique opportunity to present their product or service to people in Puerto Rico that are moving to Florida in the near future as well as many others exploring a move in the future to the US.

This event will also give US companies the opportunity to make contacts, build relationships, learn about doing business in Puerto Rico and find distributors or representatives to help you penetrate the Puerto Rican market.

Join us at the Florida Expo 2014!
